INVITATION

Dear _____

We cordially invite you to participate in the International Scientific and Practical Conference of Cardiologists **“Modern Cardiology: From Prevention to Advanced Technologies”**, dedicated to the 50th anniversary of the Cardiology Service of Uzbekistan and the Republican Specialized Scientific and Practical Medical Center of Cardiology (RSSPMCC). Within the framework of the Annual Conference of Cardiologists of Uzbekistan, the **III Kurultay of Cardiologists of Turkic-Speaking Countries** and the **I Congress of Uzbekistan Society of Specialists in Arterial Hypertension and Cardiovascular Disease Prevention** will be held. The Conference will take place on **October 2–3, 2026, in Tashkent.**

The International Scientific and Practical Conference **“Modern Cardiology: From Prevention to Advanced Technologies”** provides a unique platform for the exchange of experience and best practices in healthcare. This event will contribute to the development of the medical care system and the strengthening of cooperation among member states of the Qurultay of Cardiologists of Turkic-Speaking Countries in the fight against cardiovascular and non-communicable diseases.

Within the framework of the International Scientific and Practical Conference **“Modern Cardiology: From Prevention to Advanced Technologies”**, sessions, symposiums, masterclasses and Young Scientists Competition will be held on topical issues in medicine:

- “Cardiovascular Prevention — Effective Control of Modifiable Risk Factors”;
- “Contemporary Treatment of Atherosclerotic and Structural Heart Diseases — From Prevention to Advanced Technologies”;
- “Interdisciplinary Challenges in Modern Medicine: Endocrinology, Oncology, Pulmonology, Nephrology, Gastroenterology — Seeking Solutions to Improve the Prognosis of the Comorbid Patient”;
- “Digital Technologies to Assist the Practicing Clinician”;
- “Women’s Health Issues”;
- “Modern Methods of Functional Diagnostics and Medical Imaging in Clinical Medicine”;
- Exhibition of modern medical equipment and pharmaceutical products.

Young scientists under the age of 35 are eligible to participate in the competition.

- The author submits only one entry to the competition in the form of an abstract marked “For the Young Scientist Competition” along with author information (full name, place of work, e-mail address, contact telephone number, full name of the scientific supervisor).

ABSTRACT SUBMISSION opens: 20 May 2026,
deadline: 10 September 2026.

Abstract formatting requirements:
• Length: 1 page (A4);
• Margins: left – 3 cm, top – 2 cm, bottom – 2 cm, right – 1.5 cm;
• Font: Times New Roman, 12 pt, regular, single line spacing;
• No more than 3 abstracts may be submitted by one author.

Text requirements:
• Title in capital letters. Abbreviations are not permitted in the title;
• On a new line: full names of the authors (the presenting author's surname should be underlined). If there are multiple authors from different institutions, indicate each author's affiliation using superscript numbers;
• On a new line: institution (official full name, without abbreviations), city, country;
• Mandatory sections: Introduction; Research Objective; Materials and Methods; Results; Conclusions;
• Section headings must be in bold;
• Abbreviations are permitted in the abstract text but must be spelled out in full upon first mention. All abstracts that do not meet these minimum requirements will be rejected without review.
Abstracts will not undergo editorial revision. Languages of abstracts: Uzbek, Karakalpak, Russian, or English. Abstracts are accepted electronically at: cardiocentreuz@gmail.com

The corresponding author responsible for abstract submission must be indicated, along with their e-mail address and mobile telephone number.

Abstracts will be peer-reviewed by experts and accepted for publication only upon receipt of a positive review.

The results of the peer review will be communicated to the corresponding author via their e-mail address.

Abstracts will be published free of charge in the journal "Cardiology of Uzbekistan".

Abstracts are accepted from 1 May 2026; deadline: 10 September 2026.

Abstracts submitted after this date (10 September 2026) will not be considered!

Postal address: 100052, Tashkent, Mirzo-Ulugbek district, 4 Osiyo Street, Republican Specialized Scientific and Practical Medical Center of Cardiology (RSSPMC of Cardiology).

Information phones: 998-71-268-94-94, 71-237-38-16, 71-237-55-58

Organizing committee e-mail: cardiocenter@ssv.uz, cardiocenter@mail.ru

Venue of the International Scientific and Practical Conference:

Tashkent, 107A Amir Timur Street, AZIMUT Hotel.
